

THE COLVILLE PROJECT

The Colville Project Update

What an exciting month! We had an amazing event at Wharf Road Café and we started the concept debrief with Beca.

The Wharf Road Café event was a gourmet evening with TCP receiving \$2,900 from an incredible 5 course meal. In addition Kay Ogilvie donated a beautiful piece of her pottery as our evening's raffle prize and we raised \$190 making a grand total of \$3,090.

A very special thanks to the Wharf Road team for donating their time, effort and talent, and to Kay, for the beautiful plate. And a big thank you to all of those who participated in this special event and showed their support!

Plates of delight

Beca have provided the first stage of the concept design output, which is a high level cost estimate. This is currently under review and will form part of our next direct community engagement.

As always we'd love to hear from you with feedback on the project.
