

# The Colville Project

The Colville Project - what have we been up to this past month?

- We received a splendid donation from a super fun Moto-Cross event, thanks to all involved!
- We met with Matt Cook, Waikato Rural Coordinator for FENZ and received great input from him.
- We discussed The Project with St John and local police to assess their needs and get their input.
- We met with Beca to start creating a concept design. This is a six to eight week process so we'll keep you updated.

- Here we are with Steve and Connie from Beca...off to a great start on the concept design development!
