

# The Colville Project

Newsletter 8 / October 2018

## WHERE TO NEXT?

After the recent disappointment of missing our funding target, we are taking stock. However, the vision of the Wellness and Education Centre as Stage 1, still stands strong. We may not have a confirmed location but collectively we need to raise the funds so we can build once we do.

## TCP TRUST FORMALLY REGISTERED

The Colville Project Trust is now registered, and the trustees want to hear your creative ideas on how we as a community can reach our goals. Our initial trustees are Kate Armstrong, Bronwyn Blair, Frederick Church and Jo Herbert. The new Trust has formal plans to involve more stakeholder representatives as trustees in the future.

## COME AND MEET US

Project team members will be attending a number of community events over the coming months, including the Colville Market Day and Tangiaro Spring Festival. Please come see us and share your thoughts. Look out for further dates and events on the website <https://www.thecolvilleproject.nz/> and FaceBook page <https://www.facebook.com/thecolvilleproject>

## ADVISORY GROUPS
