

The Colville Project

We've been working with Beca on our concept design, discussing the relationships between the proposed buildings and the environment to best encompass the project vision. It's progressing nicely and we'll be providing further updates on our website and Facebook page as the design takes shape.

We have also been very fortunate to receive a very generous \$35,000 from a kindly benefactor. We are supremely grateful for this amount.

Did you know you could claim tax credits on your donations? Individuals can claim a 33.33% tax credit for all donations over \$5 they make to an approved donee such as The Colville Project. Donations made through Payroll Giving are also eligible for these tax credits.

Don't hesitate to get in touch if you have any ideas, queries or concerns - we love to get feedback. Pamela will be at the Community Market on Queen's Birthday Weekend, selling some amazing Elvis and Barbie collectibles, with 50% of the proceeds going towards The Colville Project costs.
