

The Colville Project

www.thecolvilleproject.nz

January 2020

As a new year begins, we would like to thank all of you who have been such dedicated supporters throughout the year.

- Some great (and diverse) fundraisers helped us get closer to our goal. Among these were a motorcross catering gig taken on by the Colville Health Trust trustees and staff, a gorgeous dinner at Wharf Road in Coromandel, a fishing competition, and raffles of beautiful gift baskets!
- Generous donations from the community continue to come in, for which we are very grateful.
- Attendance at our community consultative meetings in November was very good, with great feedback given on the Beca plans, and on what to do/where to go next with the development of the project. Thank you to all attendees.

We will be kicking off the new year with a fundraising sausage sizzle at the Barry Brickell 'Play with Clay' day at Hauraki House in Coromandel on 25 January. All ages, free admission, 10-3pm. See you there!
